Background

In an effort to expand its search for elite soccer talent, the Bankstown City FC will establish the Bankstown City FC Football Academy(BCFCFA).

The BCFCFA will work on the creation of this new youth initiative which will establish one of the premier youth development programs in Bankstown region. It will strongly impact soccer in the area, provide greater developmental opportunities, and identify professional prospects for the Bankstown City FC.

The BCFCFA will consist of five boys' teams, aged from U-8,U-9,U-10,U-11 and U-12. The day-to-day operations of the BCFCFA will be managed by Bankstown City FC coaching staff.

"The Bankstown region is an absolute hot bed of talent for soccer," said Bankstown City FC Director of Coaching Bill Kuleski-Kuki . "We will establish this academy not only to further the awareness of soccer in the Bankstown region, but also to identify talent that is looking for the future opportunity to play professionally with the Bankstown City FC."

"We are focused on establishing the best youth development program in Bankstown Region said Bankstown City FC President Alex Subeski. "Our goal is to grow the sport, develop players, and identify talent for the Bankstown City FC First Team. We recognize the wealth of talent in Bankstown area, and as a result, we are expanding our efforts with these goals in mind."

The coaching staff for the BCFCFA will be working under the supervision and program created by our Director of Coaching Bill Kuleski-Kuki.

Who Are Bankstown City FC.

Bankstown City has a proud history that started back in the 1970s. It has worked its way up through the football ranks from a local club playing club football to becoming one of the most successful clubs in the NSW Premier league, both at a senior and junior level. With achievements equal to none in the premier league, so it has a good understanding of the difficulties faced by clubs, parents and players.

Over the years the club has been active in developing players in the youth league, players that are capable of playing in the highest level possible in both the senior and youth competitions. Two fine examples are Richard Luksic and Robert Mileveski who have both come through the ranks of Bankstown and currently have permanent positions in the first grade; these two fine players will also be coaching at the club in 2008.

Bankstown's achievements rival other major clubs; the seniors have in the last 4 years won back to back championships, in 2006 narrowly missing out on a finals place and in 2007 finishing in second place.

Bankstown Youth development has seen its youth teams quickly rise through the ranks, in 2004 finished in 8th place, 2005 in 5th place, 2006 in 6th place, and in 2007 seeing its youth teams finishing in 3rd place in the club champion ship.

Bankstown City FC is a community club focused on community development, community involvement, it has an open door policy which provides opportunities for all to join and play football.
